You will all be aware of the latest measures being introduced to help stop the spread of Coronavirus in the UK

In response to this, BBC are taking the following action:

- BBC Sunday services will not meet in the building until further notice
- All other BBC activities including Community Coffee Morning, Tiddlywinks, Small discipleship groups have stopped for now
- For the foreseeable future outside groups are not meeting in the church building
- The church building will only be accessible at certain times, so please ring one of the leaders if you need to gain access to the building
- We will be focusing on supporting our church family and local community
- We want to remain in contact with you via regular emails during this time, keeping you informed of life at BBC and suggesting other ways in which we can stay connected with each other

To begin with, we would love it if everyone could set an alarm for midday each day and pray together. We will look to develop this further

Small group leaders will be in touch to suggest ways in which your small group can support each other further

Although our building is closed as a church community we are still here to help if you need someone to chat to over the telephone, need some shopping or anything else (we would drop it off at your door and ring to let you know it is there). Please give us a call if we can help

For now, if you have any concerns or questions please email or telephone us

Please call: 07813 583312 to speak to Rev Jonathan Oatridge
